

## Poudre School District Pathways in Secondary Mathematics: 6<sup>th</sup>-12<sup>th</sup> Grades

Current Contact: Kate Canine, 490-3024 or [ccanine@psdschools.org](mailto:ccanine@psdschools.org)

*Please note, this course sequencing does not include information about the transition from the Integrated series to new course titles.  
Please contact your school or Kate Canine for any clarifications or questions.*

\*Note: AP Statistics can be taken any time after Algebra 2 and may be taken concurrently with any post-Algebra 2 math course. Students on an accelerated pathway are expected to take Pre-Calculus or Pre-Calculus A following Algebra 2.
