Welcome New Staff Members!

Beth Lewis, Language Arts Teacher: Beth Lewis comes to Centennial from Grandview High School in the Cherry Creek School District where she taught honors English and competitive speech & debate. Before Grandview, Beth was a PSD employee for seven years and taught ninth grade English at Wellington Junior High. Beth started her career in 1996 teaching in Detroit in her home state of Michigan and relocated to Fort Collins, Colorado in 1998. Beth is excited to join the Centennial staff and return home to Fort Collins.

Galynn Lackey, Counselor: Gaylynn is originally from up state New York. She has lived in Colorado for 6 years and loves the sunshine and great weather. She received a Masters in School Counseling from CSU. Her hobbies include biking, hiking and any school/student sporting games. This summer Galynn biked to Telluride and attended the bluegrass festival there. She is very excited to be starting at CHS and working with our students and staff.

Nurse Practitioner: To be announced.

Rose Quinn, Mental Health Provider: Rose Quinn will work out of the health center in the area of mental health. She has extensive experience providing mental health support, including many years at Turning Point. She is excited at the idea of working at Centennial, her hours will be each day from 8:00 a.m. to 11:00 a.m.

New Immunization Requirements for 6th & 10th Graders from the Colorado Department of Public Health and Environment

Effective January 17, 2007

Attention—NEW Immunization Requirements!

- On January 17, 2007, the Colorado Department of Public Health and Environment's Board of Health approved additional vaccine requirements for children in childcare settings, and schools beginning in the 2007-2008 school year.
- All students entering the 7th and 10th grades in the 2007-2008 school year will be required to have proof of receiving the Tdap vaccine. This is based on the Center for Disease Control recommendations to prevent cases of Pertussis (Whooping cough).
- Consult with your health care provider about your student receiving the vaccines. Immunization Clinics are held regularly, at the Larimer County Health Department; call (970) 498-6400 for schedules and information.
- Documentation of your child's entire immunization information should be provided to your school office, to be part of the official school immunization record.

The state of Colorado Immunization Law allows Medical, Religious, and Personal exemptions. In the event of an outbreak, exempted persons may be subject to exclusion from school and to quarantine.
