

To print out, view or delete a Student's AR Quiz results

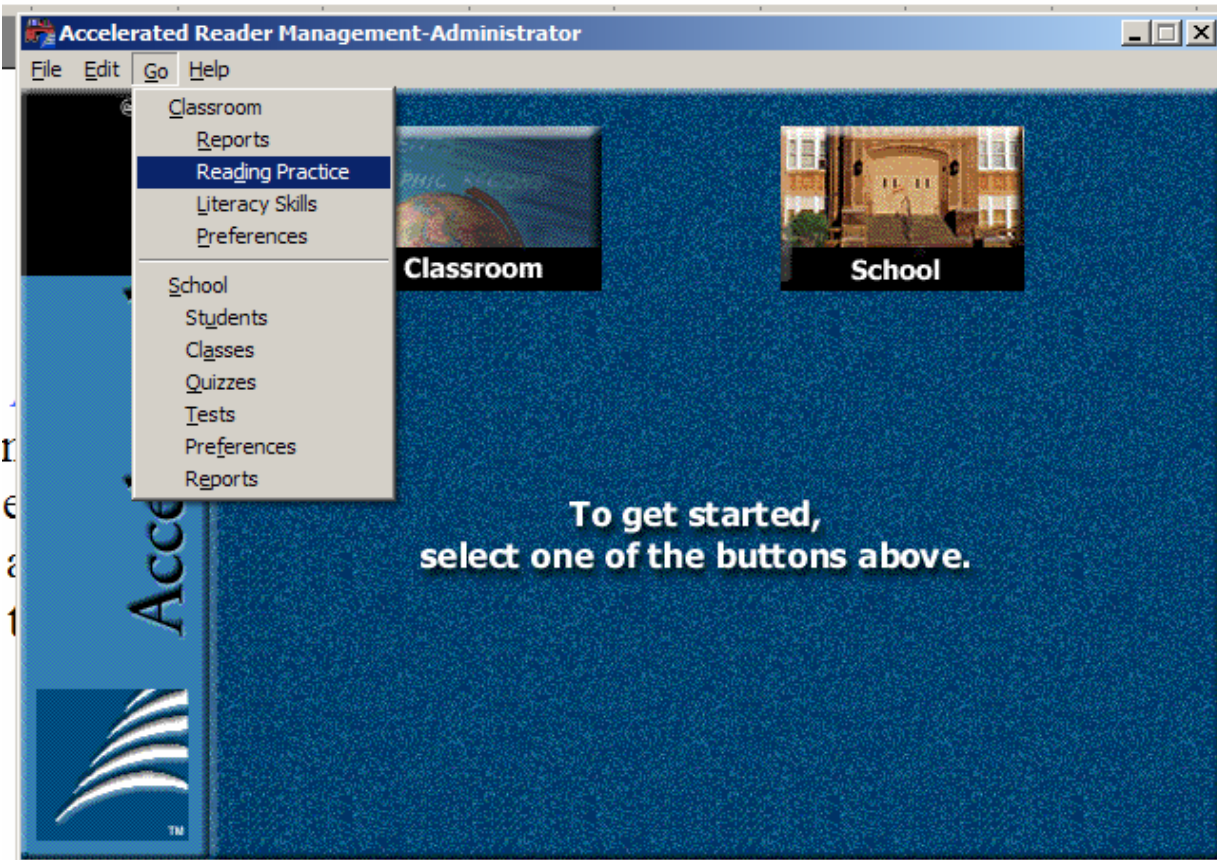

- Go to [Accelerated Reader Management](#). It should be under Start > Programs > Student Programs > Accelerated Reader. Or, it could be under Start > Programs > Accelerated Reader.

- Click anywhere in the blue area to continue.
- Enter the password (Ask your media specialist for the password)

- Click on Go > Reading Practice

- Click on your Grade, then click on the Student's name
- Now you can see all of the Quizzes they have taken.
- Select the quiz you would like to print, then click Print Tops on the left side
- To delete a quiz, click on the quiz, then click Delete on the left side
