

PSD HIGH SCHOOL COLLEGE FAIRS

IN STATE COLLEGE FAIR

Rocky Mtn. High School
Mon, 9/21 6:30-8:30pm

OUT OF STATE COLLEGE FAIR

Poudre High School
Tues, 10/6 6:00-8:00pm

Before you go, make a list of colleges that interest you the most. You'll want to make sure to stop by those tables first.

A college fair is your chance to go beyond the general information and ask questions that are unique to *your* interests.

Campus life

- What percentage of students live on campus (first year and upperclass)?
- How are roommates selected?
- What recreation facilities & student organizations are there for the activities that I enjoy?

Academics

- How do first-year students choose their classes?
- How many students will be in my classes during my first year?
- How are faculty advisers assigned, especially before a major has been chosen?
- When must I choose a major?
- What types of internships are there, how do students find internships, and do students receive credit?
- What services are available on campus to help me with career planning?
- What percentage of freshman return as sophomores?
- What percentage of students graduate in four years? Five years?

After the fair, make a point of going through the materials and your notes within one week. Follow up with any college that interests you by contacting the admissions office to ask further questions and, if possible, plan a visit to the campus.

These information nights are open to all Poudre School District 9-12 grade students and their parents. Please contact the individual schools if you have questions.
