

THEATRE

Fall Play!

Mark your calendars for *You Can't Take It With You*, an endearing comedy that celebrates the *carpe diem* in all of us. Several students are working tirelessly on this production, both onstage and off, so please come out and support them on November 20 and 21, at 7:00 in the Performing Arts Center.

Tech Theatre Club is off to fantastic start!

We began training a dozen enthusiastic students interested in learning the ins and outs of backstage. These capable and eager young people will be running lights, sound, and set in the auditorium for theatre performances, concerts, school wide presentations, and any other event that requires trained technicians.

Look for these upcoming events!

*October 30th - *Wicked* at the Denver Center for the Performing Arts

Once again, FRHS students indulge in a professional performance of one of the most popular musicals now on stage.

*December 10-12th - Colorado State Thespian Conference in Denver

FRHS students will join thousands of high schoolers from across the state to learn theatre skills in professional workshops and peer performances. This opportunity is open to any interested student. See Mrs. Rust or Mrs. DeVries for details.

Next Semester:

*January 23 - Audition workshop for *Brigadoon*

* Week of February 1 - Auditions for *Brigadoon*

* Inaugural One-Acts directed by FRHS seniors (date TBA)

*February 27- Poudre School District Secondary Theatre Festival hosted by FRHS
