1. School Safety was reviewed in light of recent incidents.
 - a. Procedures are in place to handle safety concerns
 - b. Communication with parents will always be a key area of any safety plan
2. The State Report Card was reviewed.
 - a. A letter will go home with the SAR to explain our two scores.
 - b. The Accreditation Report is posted on the web
3. Attendance policy changes
 - a. Attendance notifications will be signed by students at 4 unexcused absence; a phone call home from the teacher
 - b. At 6 unexcused absences the student may lose credit in the course
4. PSD Updates
 - a. PSD administration will be meeting 12/21/06 to discuss two issues
 - b. Grade configuration is being studied. With options and implications. The top priority is to offer the best opportunity for all students. Community forums will be established to get input in January/February.
 - c. Student Based Budgeting will allow for the alignment of dollars to sites and match the needs of students. Growth has not occurred in PSD so the dollars remain the same, but schools have been added. SBB will allow transparency in the alignment of budgets.

Please check the PSD website for more updates on community issues.
