Grade configuration timeline and updates on PSD Website

Collaboration Time – Late start – R&D will be reviewing data

Volunteers to evaluate Accreditation Reports

FRHS Attendance Policy

95.1 %

Review of unexcused absences

SIT Report is complete

Parent Questions and Concerns:

1. Front Range and CSU students struggling with mandatory senior class meetings during those class times? Dierdre Cook will mention this to Diane Campbell so that we can coordinate with those other institutions.
2. Parking lot issues. Assigned number slots may help with unreported accidents and damage to cars. Sophomores are new drivers and we should support them as they learn to maneuver the lot.
3. Parent – Teacher Conferences. Protocols need to be established to keep the conferences to 3 -5 minutes. Sophomore parents have not done arena conferences before and we should communicate on the how to's.
4. Police parent session on Drug issues to be scheduled for November 20th meeting. PAB could meet before or after that session.
5. AP Tests – all students should be encouraged to take the tests. Teachers should be preparing students for those tests.

Meeting Adjourned at 8:15pm
