The meeting was called to order by Principal Cook at 6 pm. Present were: Bill Wright, Language Arts; Lynn Dean, Senior Parent; Tara Rigby, Social Studies; Trish Stanczyk, Sophomore Parent; Janice Cumberland, Junior Parent; Rob Bates, Math, Andrea Tribelhorn, AD/AP; Scott Torvik, AP.

Absent: Students, Ruvini DeFonseka, Jacob Pappas, and Nathan Anderson. Staff: Joe Anastasia, Science. Community Member: Suzanne Rice. Classified Member: Vicki Bamford.

The agenda was followed. The team reviewed both the School Improvement Plan and the Site Readiness plan.

A review of the Colorado Growth model gave everyone a foundation for how and why growth will be measured in Colorado. It was suggested that PAB hold an information session in December for all parents to see the model.

Questions regarding a common writing rubric and grading of writing in non-language arts classes were discussed. The importance of giving students every opportunity to write and improve their skills was agreed to.

The next meeting will be to finalize the reports for PSD. Parents received a hard copy of the drafts. Staff members will receive them electronically.

Next meeting is October 20th at 6 pm, in the Administrative Conference Room.
