

The message below applies to all adults at Johnson. This includes teachers, parents, grandparents or any adult who plans to eat a hot lunch at school.

If you plan to eat hot lunch in the cafeteria you need to leave your name in the front office that morning. You may send a note with your child, or call the main office by 9:25 AM. If your name is not on the list you will not get lunch. Thank you for helping us to guarantee enough hot lunches for our students.
