

Concentra[®]

treated right

Concentra Medical Centers has over 20 years experience in providing health care.

Did you know we also offer school and sports physicals for your child?

\$26.00

Concentra Medical Centers makes it easy to get a school physical at your convenience

- No appointment is necessary!
- Bring in Students' physical form

Let us help take the hassle out of getting your student's school physical.

We also offer urgent care for those times you can't get an appointment with your primary care provider.
