

Exploring the World of Science

Leshher Science Olympiad Volunteers Needed!

Leshher Middle School Science Department

Science Olympiad is a primarily American elementary, middle school, or high school team competition that requires knowledge of various science topics and engineering ability. Over 14,000 teams from 48 U.S. states and Canada compete each year.

WE NEED YOUR HELP!!! We would love to have your help in coaching middle school kids in their different events. Even if science is not your forte, we can always use you!

We meet everyday between

10:36 am -1:15 pm

We will work with your schedule!
