

Traut Partnership

Assessment – Evaluate TCKS student and overall school progress toward established standards and goals.

Character Education – Educate, motivate and help implement/maintain the character education pillar in all aspects of school life

Communications – Promote a positive image of our school in the community and positively influence community in favor of choice in education

Curriculum – Evaluate and recommend curriculum to ensure the best possible delivery of curriculum at TCKS

Foreign Language – Help organize the after school foreign language program

Fundraising – Help in the fundraising efforts of our school to generate cash to supplement and enhance district funding

Grants – Find ways to receive grants from organizations to help pay for busing for field trips, supplies, teaching materials etc.

Hiring – Two year term runs from April to April. Parent Hiring Committee members are selected by the Parent Advisory Board. Partners help in interviewing and hiring best possible future staff members.

Library – Parents and staff work in partnership to strive to build a media program that provides literacy excellence and technological proficiency.

Track Meet Support – Coordinate with the PE teacher to ensure that our track program follows PSD’s track program in the spring

Science Fair – Organizes and sets up science fair in the spring with staff members

Social – Plan activities during the school year to bring community together in celebration

Staff Appreciation – Organizes 3 or more parties/meals for staff during the school year

Technology – Successfully incorporate technology of all forms into the TCKS curriculum

VIPS (Volunteers In Poudre Schools) – Coordinate classroom volunteers, phone trees etc. for your teacher throughout the year

Wellness – Help improve wellness at Traut by providing research and education on nutritional and fitness topics. Partners also help with the after school fitness club.

Parent Ed – Promote parent education at TCKS.

Parent Advisory Board – Elected partners serve as advocates for parents and students in issues and concerns they may have throughout the year. Partners also aid in decision making with the Site Based Management Council

Poudre School District Advisory Board Rep. – Follow what’s going on in the district and inform TCKS’ Parent Advisory Board (PAB) and Traut community about district events

Poudre School District Boundary Committee Rep – Partners with the district as a voice in boundary changes for elementary schools.
