Visitation (Shadowing) Opportunities for Students and Parents

We offer visitation days for students and parents between January 13th—22nd, 2010. Please contact Chris Hyatt at 488-5400 to schedule a visitation. You will need to choose either a half-day (8:15-11:00am) or full-day (8:15am-3:15pm.) Your child will be assigned to a 6th grade student buddy to help guide them through the day. If your child attends for a full day, they need to bring either a sack lunch or \$3-\$5 to purchase lunch. Parents who are interested in staying for a tour and meeting with a staff member should arrange that with Chris Hyatt at the same time they schedule their child.
