

To our Zach Parents:

The Pledge System allows for a more effective use of volunteer time in the classroom and other academic programs. The school simply asks parents to make a fiscal pledge to the school. In doing this the school makes a pledge back to the community not to involve the children in sales of wrapping paper, candy, magazines etc. The Zach Pledge System takes the place of all commercial fund-raising.

No door-to-door sales by students

No sales competitions for students

All donations are tax deductible

Anyone can donate (grandparents, aunts, etc.)

100% of donations go directly to our school

Donations are eligible for corporate matching programs

What has your pledge dollars done for your children?

Our children are our most valuable assets.

We have the opportunity, and obligation to help them succeed to reach their utmost potential by providing the financial resources to support enrichment programs that create a quality education.

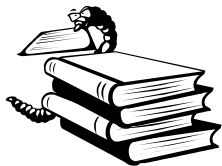

Did you know that your tax dollars do not provide enough funding to support our media center, technology room, art and music programs?

Pledge dollars make it happen!!

Enhance fundamental programs of Reading, Writing, History, Science, Art, Music, Physical Education and Technology.

Provide curriculum materials for Spanish enrichment.

Supports enrichment programs such as Book Bowl.

Provide funds for classroom grants to purchase supplies, activities, and equipment not covered by the District budget.
