Description of volunteer needs/activities:

Are there After School Program needs? Describe.

How long before a volunteer will be placed in the school?

What is expected of the faith community coordinator?

What is expected of the school coordinator?

How will the coordinators work together/communicate the scheduling of volunteer activities?

What is the process for paperwork?

Is there opportunity for a presentation to school staff as to how to use volunteers in non-traditional ways?

Can the faith community be called upon for gifts, clothing, and food to help low-income families?

Overall, how will communication be maintained?

In the future, how will each partner continue to learn about the other in order to strengthen the partnership, explore opportunities, and develop innovations?

(The PSD school contact) and (the faith community leader) will meet on to evaluate the partnership and programs.
